

Capitol Christmas Tree Ornament Idea

(Pinterest has many crafty and cute ideas)

Materials Needed:

- Sticks (6" in length)
- Ribbon scraps (I used shades of green and brown)
- Hot glue gun
- Twine
- Scissors

Directions:

1. Tie the scraps of ribbon down the stick.
2. Trim the ribbon scraps into the shape of a Christmas tree.
3. Use the hot glue to attach a piece of twine to the top so the ornament can hang (teacher/adult should complete this step).
